THE PRETZEL CUP · WELCOME ABOARD

FRESH PRETZELS *AT YOUR STORE*

MADE TO CRAVE®

Hey — welcome to The Pretzel Cup family.

Starting this week, your store is on our delivery route. Every day, hot and fresh Philly Pretzel Factory pretzels show up at your door, bagged and ready to sell. You only pay for what you move. Anything left over goes back on the truck. No contracts, no refrigeration, no fuss.

Everything you need to run the pretzel program at your store is in this kit. The display stand goes on your counter, the window cling goes on your door, and the UPC card goes to whoever programs your register. Your driver takes care of the rest.

IN THIS KIT

- Counter display stand with pricing card
- Window cling for the front door
- UPC codes for your register
- Your driver's info card
- How to reach me if anything comes up

Signing in the first time: scan the QR code on the contact card to open your portal, then enter PIN **0000**. The app will prompt you to set your own 4-digit PIN right away — pick anything you'll remember.

One thing to know: all communication runs through the client portal. If you ever need to adjust your order, flag an issue, or just reach me directly, that's the fastest way.

I'm genuinely glad to have you on. Let's sell some pretzels.

Chris

A quick note on how we work

All communication — orders, questions, issues — runs through your client portal, straight to Chris. Your driver's job is simple: fresh pretzels, on time, every day.

MADE TO CRAVE®

NEED TO REACH CHRIS?

ALL COMMS RUN THROUGH *THE PORTAL*

1. Scan the QR to open your portal
2. Message Chris directly from there
3. He's notified immediately — day or night
